**STUDENT AWARDS**

There was some discussion about the evaluation form and that it might need a bit more fine tuning. This will be addressed at future meetings and the issues at hand will be ironed out so that next year there will be a little less confusion.

All students and schools have been notified and invited to the luncheon. If a student cannot make it to the luncheon his/her award will be mailed to them unless Donna/Dave is notified otherwise.

**It has been brought to my attention that some students will be taking placement tests on May 7 and may not feel they can attend the luncheon. The luncheon starts at 12 Noon but by the time everyone is seated, etc it might be 12:30 before anything gets underway. The awards will probably be given out around 1:30-2:00. So if you can make it but might be a little late – no problem. Just let Donna know ahead of time so your lunch can be set aside.**

Congratulations to all!!!

### **HEINZ HISTORY CENTER**

Things are coming together nicely. Nancy is gathering all the necessary information and will be sending it out to Michael, Richard and Judi so that they can formulate some kind of master plan. If you have any info that might be of importance to this event DO NOT hesitate to call Nancy.

Thanks to Dewi we have an East/West logo/cover. It might be possible to have this for our luncheon cover this year but it was suggested that this be our permanent luncheon cover as soon as it gets a little touching up.

Since our next meeting might be the last one before the Heinz event, it is suggested that anyone who is participating at Heinz attend the meeting to go over any last program adjustments.
